City Council Commends San José Business MAI Industries

San José initiative recognizes businesses that drive the economy

San José – San Jose Mayor Ron Gonzales and the City Council will recognize and commend MAI Industries, and Mr. Roger Mairose, CEO, for their contributions to the San José economy through jobs and revenues.

MAI Industries was founded in 1973 and headquartered in San Jose, provides quality construction of pharmaceutical, industrial, office and retail buildings and is responsible for some of the most impressive construction projects in Silicon Valley and throughout the Bay Area.

With a long list of prestigious clients such as Sun Microsystems, Apple Computers, National Semiconductors and Genentech, MAI Industries is the general construction specialist for companies has taking us into the future and personifies the innovation energy that permeates San José and Silicon Valley.

MAI Industries is a family owned business that employs more than 100 individuals, many who have been with the company since it started and has continuously expanded in staffing, services and business volume.

[more]

The city's commendation to MAI Industries is a part of San José's Business Appreciation Initiative, which is a key component of the city's economic development strategy.. This business-retention effort recognizes San José successful companies that are fast growing, international, generate significant sales tax, employ more than 1,000 employees, or publicly traded and based in San José.
